

1. Introduction

① Explain how WTO works : countries combine articles in a complex way to make an legal argument. (Analyze)

But it is really difficult. (*literature*)
to learn how

② I identify three distinct sets of articles.
i) anti-dumping
ii) export subsidy
iii)

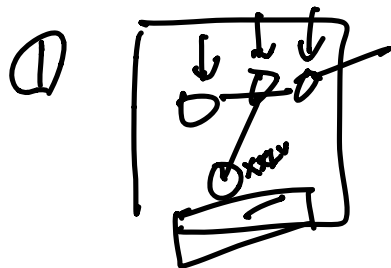

③ Explain data & methodology

④ Findings : How WTO works (*literature*)
developing countries

2. Data : provide a running example
explain WTO more in detail
From previous paper.

3. Methodology : examples why neural
net learns something
that simple approach can't
(Zach's comment)

4. Empirical Findings.
